

2007 GREAT LAKES HOSPICE CONFERENCE

Back Home Again, In Indiana

Indiana hospice and palliative care professionals are pleased to host their colleagues from around the region for the second Great Lakes Hospice Conference. We have selected the most current topics, and we've strived for presentations that you won't get at most state and local conferences. Many of our faculty are based in the Great Lakes region, but we have recruited some special guests who will be sure to surprise and inspire you.
